**bpost SA/NV announces cash tender offer for its €650,000,000 1.250% fixed rate bonds due 11 July 2026**

10 June 2025. bpost SA/NV (the “Offeror”) announces today an invitation to holders of its outstanding €650,000,000 1.250% fixed rate bonds due 11 July 2026 (ISIN: BE0002601798 / Common Code: 185601382) (the “Bonds”) to tender any and all such Bonds for purchase by the Offeror for cash (such invitation, the “Offer”).

The Offer is being made on the terms and subject to the conditions (including, but not limited to, the satisfaction (or waiver) of the New Issue Condition (as defined below)) described in the tender offer memorandum dated 10 June 2025 (the “**Tender Offer Memorandum**”) prepared by the Offeror in connection with the Offer, and is subject to the offer restrictions set out below, as more fully described in the Tender Offer Memorandum. For detailed terms of the Offer, please refer to the Tender Offer Memorandum, copies of which are (subject to distribution restrictions) available from the Tender Agent as set out below. Capitalised terms used but not otherwise defined in this announcement shall have the meanings given to them in the Tender Offer Memorandum.

**Summary of the Offer**

A summary of certain of the terms of the Offer appears below:

Description of the Bonds	ISIN / Common Code	Outstanding Principal Amount	Maturity Date	First Call Date	Benchmark	Purchase Spread*	Amount subject to the Offer
€650,000,000 1.250% fixed rate bonds due 11 July 2026	BE0002601798 / 185601382	€650,000,000	11 July 2026	11 April 2026	Interpolated Mid-Swap Rate	5 basis points	Any and all

\* For the avoidance of doubt and in accordance with market convention, the Purchase Price will be calculated to reflect a yield to the Maturity Date on the Settlement Date and will be announced as soon as possible following the Pricing Time on the Pricing Date.

### **Rationale for the Offer**

The purpose of the Offer and planned issuance of the New Bonds (as defined below) is to proactively manage the overall debt maturity profile of the Offeror. The Offer also provides Holders with the opportunity to sell their current holdings in the Bonds and, if they so wish, apply for priority in the allocation of the New Bonds, as more fully described below in “*Allocation of the New Bonds*”.

As mentioned below in “*New Issue Condition*”, it is the intention of the Offeror to issue concurrently with the Offer new euro-denominated fixed rate bonds (the “**New Bonds**”).

Bonds purchased by the Offeror pursuant to the Offer are expected to be cancelled and will not be re-issued or re-sold.

### **Purchase Price and Accrued Interest Payments**

Subject to the satisfaction (or waiver) of the New Issue Condition, the Offeror will, on the Settlement Date, pay for any Bonds validly tendered and accepted for purchase by it pursuant to the Offer a cash purchase price for such Bonds (the “**Purchase Price**”) determined by the Offeror in consultation with the Dealer Managers at or about the Pricing Time on the Pricing Date in the manner described in the Tender Offer Memorandum by reference to a yield calculated as the sum of (i) the Purchase Spread and (ii) the Interpolated Mid-Swap Rate (rounded to 3 decimal places, with 0.0005 rounded upwards) (such sum, the “**Purchase Yield**”). The Offeror will also, subject to the satisfaction (or waiver) of the New Issue Condition on or prior to the Settlement Date, pay an Accrued Interest Payment in respect of any Bonds accepted for purchase pursuant to the Offer.

The Purchase Price will be determined in accordance with market convention and expressed as a percentage of the principal amount of the Bonds (and rounded to the nearest 0.001 per cent. with 0.0005 per cent. being rounded upwards) and is intended to reflect a yield to the Maturity Date on the Settlement Date equal to the Purchase Yield.

### **Any and All Offer and No Scaling**

If the New Issue Condition is satisfied (or waived) and the Offeror decides to accept for purchase valid tenders of Bonds pursuant to the Offer, the Offeror will accept for purchase all of the Bonds that are validly tendered in full and there will be no scaling of any tenders of Bonds for purchase (the final aggregate principal amount of Bonds accepted for purchase pursuant to the Offer being the “**Final Acceptance Amount**”).

### **New Issue Condition**

The Offeror also announced today its intention to issue the New Bonds, subject to market conditions.

Whether the Offeror will purchase any Bonds validly tendered in the Offer is subject, without limitation, to the successful completion (in the sole determination of the Offeror) of the issue of the New Bonds (the “**New Issue Condition**”), or the waiver of such condition.

Even if the New Issue Condition is satisfied (or waived), the Offeror is under no obligation to accept for purchase any Bonds tendered pursuant to the Offer. The acceptance for purchase by the Offeror of Bonds validly tendered pursuant to the Offer is at the sole and absolute discretion of the Offeror.

*Neither this announcement nor the Tender Offer Memorandum constitutes an offer to buy or sell, or a solicitation of an offer to sell or buy, any New Bonds (and tenders of Bonds for purchase pursuant to the Offer will not be accepted from Holders) in any circumstances in which such offer or solicitation is unlawful. Any investment decision to purchase any New Bonds should be made solely on the basis of the information contained in the information memorandum to be prepared by the Offeror in connection with the issue and listing of the New Bonds (including any amendment or supplement thereto, the “**Information Memorandum**”), and no reliance is to be*

*placed on any representations other than those contained in the Information Memorandum. Subject to compliance with applicable securities laws and regulations, a preliminary information memorandum (the “**Preliminary Information Memorandum**”) dated on or about 10 June 2025 relating to the New Bonds is available from the Dealer Managers (in their capacity as bookrunners of the issue of the New Bonds) on request. Holders who may wish to subscribe for New Bonds should carefully consider all of the information in the Preliminary Information Memorandum and (once published) the Information Memorandum, including (but not limited to) the risk factors therein.*

*For the avoidance of doubt, the ability to purchase New Bonds is subject to all applicable securities laws and regulations in force in any relevant jurisdiction (including the jurisdiction of the relevant Holder and the selling restrictions set out in the Information Memorandum). It is the sole responsibility of each Holder to satisfy itself that it is eligible to purchase the New Bonds.*

*The New Bonds are not being, and will not be, offered or sold in the United States. Nothing in this announcement nor the Tender Offer Memorandum constitutes an offer to sell or the solicitation of an offer to buy the New Bonds in the United States or any other jurisdiction. The New Bonds may not be offered, sold or delivered in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the United States Securities Act of 1933, as amended (the “**Securities Act**”)) absent registration under, or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of, the Securities Act and in accordance with all applicable securities laws of any state of the United States or any other jurisdiction. The New Bonds have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States.*

#### **Compliance information for the New Bonds**

*EU MiFID II professionals/ECPs-only/No EU PRIIPs or UK PRIIPs KID – eligible counterparties and professional clients only (all distribution channels). No sales to EEA or UK retail investors; no key information document has been or will be prepared. No sales in Belgium to consumers within the meaning of the Belgian Code of Economic Law dated 28 February 2013, as amended.*

*See the Preliminary Information Memorandum and (once published) the Information Memorandum for further information.*

*No action has been or will be taken in any jurisdiction in relation to the New Bonds that would permit a public offering of securities whereby such public offering would lead to a requirement to publish a prospectus or a similar requirement, and the minimum denomination of the New Bonds will be €100,000.*

#### **Allocation of the New Bonds**

When considering allocation of the New Bonds, the Offeror intends to give preference to those Holders that, prior to such allocation, have validly tendered or have given a firm intention to any Dealer Manager that they intend to tender their Bonds for purchase pursuant to the Offer. Therefore, a Holder that wishes to subscribe for New Bonds in addition to tendering its existing Bonds for purchase pursuant to the Offer may be eligible to receive, at the sole and absolute discretion of the Offeror, priority in the allocation of the New Bonds, subject to the issue of the New Bonds, the selling restrictions that will be contained in the Information Memorandum relating to the New Bonds and such Holder making a separate application for the purchase of such New Bonds to the Dealer Managers (in their capacity as bookrunners of the issue of the New Bonds) in accordance with the standard new issue procedures of such bookrunner. However, the Offeror is not obliged to allocate any New Bonds to a Holder that has validly tendered or indicated a firm intention to tender its Bonds for purchase pursuant to the Offer and, if any such New Bonds are allocated, the principal amount thereof may be less or more than the principal amount of Bonds tendered by such Holder and accepted for purchase by the Offeror pursuant to the Offer. Any such allocation will also, among other factors, take into account the minimum denomination of the New Bonds (being €100,000).

All allocations of the New Bonds, while being considered by the Offeror as set out above, will be made in accordance with customary new issue allocation processes and procedures in the sole and absolute discretion of the Offeror. In the event that a Holder validly tenders Bonds pursuant to the Offer, such Bonds will remain subject to such tender and the conditions of the Offer as set out in the Tender Offer Memorandum irrespective of whether that Holder receives all, part or none of any allocation of New Bonds for which it has applied.

**Holders should note that the pricing and allocation of the New Bonds are expected to take place prior to the Expiration Deadline for the Offer and any Holder that wishes to subscribe for New Bonds in addition to tendering existing Bonds for purchase pursuant to the Offer should therefore provide, as soon as practicable and prior to the allocation of the New Bonds, to any Dealer Manager any indications of a firm intention to tender Bonds for purchase pursuant to the Offer and the quantum of Bonds that it intends to tender.**

### **Tender Instructions**

In order to participate in, and be eligible to receive the Purchase Price and Accrued Interest Payment pursuant to, the Offer, Holders must validly tender their Bonds for purchase by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Tender Agent by 5.00 p.m. (CEST) on 17 June 2025 unless extended, re-opened, amended and/or terminated as provided in the Tender Offer Memorandum (the “Expiration Deadline”).

**Holders holding Bonds directly in the NBB-SSS or through a participant or sub-participant of the NBB-SSS (other than a Clearing System) must, in order to be eligible to participate in the Offer in the manner specified in the Tender Offer Memorandum, (i) arrange for the Bonds which they wish to tender to be transferred to an account in either of the Clearing Systems and (ii) maintain or, where relevant, procure access to an account in either of the Clearing Systems through which such Bonds can be traded, and to which both the Purchase Price and the applicable Accrued Interest Payment may be credited by the Offeror.**

**Holders who do not have access to an account, as described above, in either of the Clearing Systems (either directly or through a Direct Participant or other intermediary), or who do not transfer the Bonds which they wish to tender to a Direct Participant in either Clearing System, will not be able to submit a Tender Instruction to the Tender Agent and will not be eligible to participate in the Offer in the manner specified in the Tender Offer Memorandum.**

**Any Holder who (i) holds its Bonds directly, or through a participant or sub-participant of the NBB-SSS, in an “N account” within the NBB-SSS, (ii) is not eligible, in accordance with Article 4 of the Belgian Royal Decree of 26 May 1994, as amended, to hold its Bonds (directly or indirectly) in an “X account” within the NBB-SSS and who is therefore unable to transfer the relevant Bonds to an account in either Clearing System and (iii) who is eligible to view the Tender Offer Memorandum and make an investment decision with respect to the Offer may contact the Tender Agent for further information, using the contact details set out below.**

**Tender Instructions will be irrevocable** except in the limited circumstances described in the Tender Offer Memorandum.

Tender Instructions must be submitted in respect of a minimum principal amount of Bonds of no less than €100,000 (being the minimum denomination of the Bonds), and may be submitted in any integral multiple of €100,000 thereafter.
